Program Descriptions

Programs that Move	Programs that Teach	Programs that Create
<p>Get In The Game—In this program participants will focus on keeping kids active. Kids will have an opportunity to play and learn a variety of different games and sports.</p>	<p>Passion Passport - is a program where kids will learn about different countries and create their own dream passport of places they would like to visit!</p>	<p>Learn all about cooking, healthy eating and kitchen etiquette with Penbrooke Kitchen.</p>
<p>Afternoon Adventures is a fun escape into all the areas where adventures can happen. Between the field trips to library's, museums, parks and exploring the Penbrooke neighborhood, there is an adventure to be found by every child! The afternoon is ours for the exploring!</p>	<p>In Solve It, participants will take part in different games, activities, and challenges that will develop and test skills such as teamwork, cooperation, and problem solving. We are capable of solving many difficult problems if we work together and put our minds to it!</p>	<p>Junkyard DIY – is a program where participants create different art projects using different materials and supplies not typically used in craft projects. We will turn what would usually be junk or garbage into works of art!</p>
<p>Junior Sports League is a round-robin league amongst the other 7 club locations. Focus is on sportsmanship and skill development. This Block we will be playing Basketball *This program runs 6:30-8:30*</p>	<p>Lead the World – Ask a staff about this fun civics program!</p>	<p>Performing Arts and SHOWCASE— Stage left, stage right! Camera, lights, ACTION! Let your inner superstar out as you embrace the world of performing arts. <i>**this program runs until the end of June, and commitment is MANDATORY. Please see staff for a detailed break down**</i></p>
<p>Wide Games—a variety of field games that will keep kids moving and grooving.</p>	<p>Culture Craze - is a program designed to encourage participants to learn more about various cultures. From fun games, to language, art and music, this program strives to enhance your child's desire to learn and embrace differences!</p>	<p>Building Buddies—a fun and creative way to explore the world of construction. Participants will learn to plan and create new master pieces. Bring on the little builders!</p>
<h2>Programs for Teens</h2>	<p>Junior Survivors— In this program you will compete as a team or as an individual in a series of games, puzzles, riddles, and challenges, to outplay and outlast each other as you collect points throughout the block in hopes to become Penbrookes 1st Sole Survivor!</p>	<p>In Pinterested we will find new things to create DIY style!</p>
<p>Level Up! - This program will focus on engaging teens in video games that inspires creativity, teamwork, and critical thinking skills. With technology being so prominent in this age, the teens will gain new skills and ways of using technology. Teens will also learn how to edit videos and how to use different tools of the internet.</p>	<p>Torch- This is a BGC National program that features community involvement, games and leadership activities. This program is great if you were looking for something to add to your resume!</p>	<p>Arts n' Crafts—In Arts n' Crafts participants will get to let their creative minds shine bright as they take on new and exciting projects each and every week.</p>
<p>BrainFood—This program focuses on providing school work assistance, with food! Teens will get to do some minor cooking/baking while they sort through their homework assignments.</p>	<p>Lab Rats— In this program we will learn about science through fun interactive experiments, trying new things, creating projects, and discovering about all the crazy stuff that make our world tick.</p>	<p>Lego Creations—dive in deep to our giant lego collection to play, build, and create your own lego masterpieces!</p>
<p>Teen Night—Come out and meet new people and try new things with the Penbrooke Teen Night.</p>		<p>Art Attack— Lets. Get. Messy! From slime to splatter paint...in this program you will get to explore all of the fun and disastrous art projects that Lisa will hate!!</p>
<p>Teen What? - A fun trivia program where participants play games to learn about geography, history, stories, and many more things!</p>		<p>Hobby Hoppers- participants will experiment with a variety of hobbies, from knitting, to growing, to board games!</p>
