Program Descriptions

3pm-6pm Programs

Hobby Hoppers

Participants may discover their new favourite hobby! We will explore different hobbies such as beading, painting, board games, bird watching etc. Tell us what you like to do as a hobby and maybe we can try it out!

Reading Wizards

Participants will learn basic literacy skills while listening to stories, as well as engage in fun activities such as trivia and crafts related to the stories.

Kid Food Nation

Kid Food nation is a BGC National program! It has been created to support the development of food literacy skills in kids. In this program, participants will cook delicious food while learning skills such as balancing their diet, reading food labels, identifying fresh and healthy food, and increasing their confidence in the kitchen! ***Participants must be able to attend the entire block (11 weeks), and stay until 6pm.**

Crafter-Noon

This program will explore different kinds of art as participants spend the afternoon crafting a variety of projects while painting, drawing, and more!

Get in the Game

This physical recreational program gets you moving with fun games both inside and outside! ***Be dressed for the outdoors!**

Strings and Things

Participants will make crafts using strings, knitting yarn, and other crafting materials.

Imagination Station

Participants will use their imagination to explore a fun mix of activities such as drama games, creating comics, and building projects!

Cool Kids

This program focuses on how inner beauty also known as coolness and awesomeness. It is all about empowerment, leadership and self-regard. Participants will gain skills to become activists in their community and for themselves

My First Story

Participants will visit different Public Libraries to hear stories and learn how to write our very own!
***Offsite until 6pm**

Mad Science

Participants will be able to participate in a series of fun, hands-on projects and experiments that will teach them basic science facts.

Lead The World Participants will discover civics in a hands-on way. They will explore different styles of government, culture, social issues, and law, ultimately creating their own "district", learning about and forming their district's identity along the way. Four other Boys & Girls Clubs across the city will be participating in the same program and forming their own district. This program will conclude with a mandatory 8-hour event on a Saturday at the end of the block, where each of the participating clubs will come together at a "Continental Congress." Here, members from each district will argue for their decided-upon values and ultimately join together as the country of "Calgaria."

Around The World

Participants will have the opportunity to explore many different cultures through both physical and visual mediums. Cooking, crafts, language, games and much more!

Splash Splash

This program is partnered with the City of Calgary and participants will get to go swimming after-school at Village Square. Participants must have their swimming gear and be comfortable around the water. **Bus leaves at 3:30pm and is back at 615pm.**

6:30pm-8:30pm Programs

Dungeons and Dragons

This program explores the popular fantasy tabletop role-playing game, Dungeons and Dragons. Staff will facilitate the game and help kids explore their imagination while they solve dilemmas, engage in fictional battles and gather treasure and knowledge.

Jr. Sports

Jr. Sports will be Basketball for grades 4-6, it is a round-robin league amongst the other club locations. Focus is on sportsmanship and skill development. ***This is an off-site program. Bus leaves at 630pm and we are back at our club for 830pm.**

Torch

This is a National BGC program that features community involvement, games and leadership activities. This program is great if you are looking for something to add to your resume! Participants in this program are registered for the entire school year. New participants may join if a spot opens up.
