Programs that Move	Programs that Teach	Programs that Create
<p>Get in the Game—This program will focus on keeping kids active. Kids will have an opportunity to play and learn a variety of different games. <i>Participants must be at the club by 3:45pm in order to sign up for this program.</i></p>	<p>Radical Science— In radical science we will learn about the science through fun interactive experiments, trying new things, creating projects, and discovering about all the crazy stuff that make our world tick.</p>	<p>Learn all about cooking, healthy eating and kitchen etiquette with Penbrooke Kitchen.</p>
<p>Afternoon Adventures is a fun escape into all the areas where adventures can happen. Between the field trips to library's, museums, parks and exploring the Penbrooke neighborhood, there is an adventure to be found by every child! The afternoon is ours for the exploring!</p>	<p>Nature Ninjas— In this program you get to discover the beauty of nature! By getting a better understanding of plants, animals, landscapes and different wonders throughout our planet.</p>	<p>Performing Arts—Stage left, stage right! Camera, lights, ACTION! Let your inner superstar out as you embrace the world of performing arts.</p>
<p>Junior Sports—is a round-robin league amongst the other 7 club locations. Focus is on sportsmanship and skill development. This Block we will be playing Soccer . *This program runs 6:30-8:30</p>	<p>In Solve It, participants will take part in different games, activities, and challenges that will develop and test skills such as teamwork, cooperation, and problem solving. We are capable of solving many difficult problems if we work together and put our minds to it!</p>	<p>Junkyard DIY – is a program where participants create different art projects using different materials and supplies not typically used in craft projects. We will turn what would usually be junk or garbage into works of art!</p>
<p>Playground Games— A variety of field games that will keep kids moving and grooving. We will adventure to local playgrounds and parks for maximum fun!</p>	<p>Minute To Win It— In this program participants will take part in a series of 60 second challenges that feature common household objects.</p>	<p>Lego Creations— dive in deep to our giant lego collection to play, build, and create your own lego masterpieces!</p>
<p>Great Escapes- This program is designed to get kids outdoors and active. We do fun things like play outdoor games, explore the wilderness, and build campfires.</p>	<p>Hobby Hoppers- In Hobby Hoppers, participants will experiment with a variety of hobbies, from knitting, to growing, to board games.</p>	<p>In Pinterested we will find new things to create DIY style!</p>
<p>Take a Hike: In this experiential program, members will explore nature through hiking in and around Calgary. This unique opportunity will take longer than our typical afterschool time. Members will need a cold supper, and return to the club at 8:00pm. Members must have appropriate outdoor wear—this program goes, rain or shine. This is an offsite program. Participants must be at the club by 4:00pm in order to sign up for this program.</p>	<p>Junior Survivors— In this program you will compete as a team or as an individual in a series of games, puzzles, riddles, and challenges, to outplay and outlast each other as you collect points throughout the block in hopes to become Penbrookes 1st Sole Survivor!</p>	<p>Film Critics— Lights! Camera! Action! Participants will be given the chance to watch movies and then discuss key topics after each scene.</p>
<p>Sports Stars— Each week participants are given a specific sport that they will gain skills and fundamentals.</p>	<h2>Programs for Teens</h2>	
<p>Wide Games— A variety of field games that will keep kids moving and grooving.</p>	<p>BrainFood— This program focuses on providing school work assistance, with food! Teens will get to do some minor cooking/baking while they sort through their homework assignments.</p>	<p>Please ensure your child comes dressed for the weather.</p> <p>All after school and half day programs will go outside.</p>
<p>To register for programs please phone the Penbrooke Club at 403-543-9675 and leave a message with your name, your child's name/grade and a contact number to call you back on.</p> <p>Someone will be in touch within the next couple of days to register your child(ren).</p> <p>Registration Call In Night: Wednesday, March 6 @ 7:00 PM</p>	<p>Teen Night—Come out and meet new people and try new things with the Penbrooke Teen Night.</p>	
	<p>Teen What?— An after-school opportunity for teens to come and spend some time together (in our new teen-room!). Programs will vary based on their interests and staff will work with teens to create a comfortable, welcoming after-school environment.</p>	
	<p>Level Up! - This program will focus on engaging teens in video games that inspires creativity, teamwork, and critical thinking skills. With technology being so prominent in this age, the teens will gain new skills and ways of using technology. Teens will also learn how to edit videos and how to use different tools of the internet.</p>
