Medieval Times

Week 9 (Aug 10-13)

Medieval week will give you the opportunity to explore your inner knight through crafts, games, and activities. You will design your own medieval banners, partake in a jousting tournament, and create a marshmallow catapult to keep your castle safe.

Space Odyssey

Week 10 (Aug 17-20)

Jump into orbit during Space Odyssey week; we will push our brains to go beyond the unthinkable. Join us as we explore the boundless universe when we pull up our space boots to play games that are out of this world. Throw on your space helmet and get ready to explore the galaxy while as we learn about constellations, make galaxy slime, and reach new heights when we launch our rockets into the air. We cannot wait to see you there!

Mighty Jungle

Week 11 (Aug 24-27)

Join us for a week in the Mighty Jungle where we will get the chance to learn about the big and small critters you find under the canopy. While we are in the Mighty Jungle, we will get to connect with nature by doing crafts, playing games, and exploring the great outdoors! Get ready to experience the Mighty Jungle when we camouflage with the trees or hop like a kangaroo to victory.

Each week **Bricks 4 Kidz®** will come to your Club, weeks 8-10, where you will get to learn, build and play with **LEGO®** of every size and colour! Kids will build the model of the day with simple step by step instructions. We will build anything from a crocodile to a space station, and even a catapult!

Cost: \$200/week (subsidy available)
